## Department of Medicinal Chemistry

Algorithm for making up missed classes and eliminating academic debt at the Department of Medicinal Chemistry:

1. Contact the duty teacher using:

- e-mail of the department (<https://medchem.nuph.edu.ua/>)

- e-mail of the teacher (<https://ilya.podolsky@gmail.com/>)

2. When applying, be sure to indicate the course, group, surname, educational component that needs to be completed. Depending on the number of missed classes, the teacher will determine the amount of study material required for self-study, as well as assignments and tests to be completed and passed.

3. Familiarize yourself with and prepare for the class according to the calendar plan.

4. Acceptance of exercises is carried out using the ZOOM platform according to the schedule:

### **SCHEDULE of online classes from 20.08 on the ZOOM platform for liquidation of academic debt for 2023-2024**

Date	Time of practice	Teacher	Link	ID	Password
20.08	10.00-12.00	<b>Professor Podolskyi I. M.</b>	<a href="https://zoom.us/j/3029173247?pwd=UEIXMGU3UEJZYk5VdIlZMmpJdDlodz09">https://zoom.us/j/3029173247?pwd=UEIXMGU3UEJZYk5VdIlZMmpJdDlodz09</a>	3029173247	dG4aCt
21.08	10.00-12.00				
22.08	10.00-12.00				
23.08	10.00-12.00				

The student must: enter his name and surname in his personal ZOOM profile, connect to the conference using the link in the practice schedule. The microphone and camera must be turned on. During the practice itself, the teacher has the right to prevent students who showed up for the practice unprepared, which is revealed during a preliminary short oral survey.

**A student who has successfully mastered the course material and received at least 36 points will be allowed to take the final module control.**

The teacher will set the date and time of the “Final Module Control”.
